SUMMARY

A dedicated and hardworking student with a strong academic record and consistent honors. I received Pasig City Scholarship, showing my commitment to learning and excellence. I'm active in community service through the Rotaract Club, where I build leadership and teamwork skills. I'm a former athlete that shows my time-management and dedication and I'm passionate about growing both personally and professionally. I'm also tech-savvy and adaptable, with a good background in digital tools and technology, supported by my Computer Science studies in college.
